Document Research

What keeps you from going up to people to speak to them?

Roman Shubin - never finds it hard he said "nothing"

Ahmad Faizi Ahmad Zai - finding shady figures or speaking to shady figures

Vanessa Guerra - minding own business. "Im broke too"

What are things you want to know about a person that you would work with and what would make you feel comfortable?

Roman Shubin - verify their identity, age, real name, run a background check.

Ahmad Faizi Ahmad Zai - background check, name, age, and overall who they are (where there from)

Vanessa Guerra - do they have pets, interests, hobbies, name and age, career interests. dedication.

From a scale of 1 to 10 how comfortable do you feel working with someone online?

Roman Shubin - 4 to a 6 depends on verification or not.

Ahmad Faizi Ahmad Zai - 8 because both are anonymous.

Vanessa Guerra - 8 because I have talked to people and played with people online without bad experiences.

From a scale of 1 to 10 how often do you find yourself wondering about issues today that you want to solve?

Roman Shubin - 7 because you wonder 1 to 2 times a day.

Ahmad Faizi Ahmad Zai - 3 because its going to be a big issue later

Vanessa Guerra - 7 because it's the future.

How often do you wish you had someone to help with a problem or issue you want to solve?

Roman Shubin - Almost never because I don't enjoy it with other people most of the time because he believes in himself more.

Ahmad Faizi Ahmad Zai - 8 always wanting help.

Vanessa Guerra - many times a day because she wants to finish quicker.

A Purpose Statement

It is a website that creates space for committed young adults around the world to connect with other people who have similar interests on projects and develop their interests through a safe and stable way.

5$tar is a platform fostering global connections among dedicated young adults with shared interests in projects. It provides a secure and stable environment for collaboration and personal development.

Brainstorm Ideas

1. Add a way to find people you want to speak with through interests
2. Add an easy way to get verified through this system.
3. Add a search bar to find out similar interests and recommendations for terms to use.
